RI Presidential Message

July 2020

Holger Knaack
President
Rotary International
2020-2021

This does not seem like a time for great optimism, but it has to be. Long before Rotary was founded, the world dealt with great crises that tested humankind's ability to progress and endure. In the age of Rotary, the world has faced many more catastrophes; however, we have survived, and every step of the way, Rotary has helped the world heal.

Every great challenge is an opportunity for renewal and growth. I revealed the theme of Rotary Opens Opportunities at the International Assembly in San Diego just as the COVID-19 crisis was beginning, but these are words that I have believed for many years.

Rotary is not just a club that you join; it is an invitation to endless opportunities. We believe in creating opportunities for others and for ourselves. We believe that our acts of service, large and small, generate opportunities for people who need our help, and that Rotary opens opportunities for us to live a richer, more meaningful life, with friends around the world, based on our core values.

Governments and institutions are gaining a greater appreciation for the types of public health partnerships that are critical to our work. People stuck at home, eager for greater connections and hungry to help their communities, are now embracing the values we have promoted since our beginning.

All of this is positive news, but just because there are greater opportunities than ever for Rotary to thrive does not guarantee that we will succeed. The world is changing rapidly — and was doing so even before this crisis. People were starting to move away from regular lunch meetings and toward online gatherings. Friendships were being cultivated and revived in social media relationships even before most of our meetings moved to Zoom and Skype. Younger generations have a strong desire to serve — but have questioned whether they could play a meaningful role in organizations like Rotary or whether they might make a bigger impact forming different types of connections. Now is the time to put everything on the table, test new approaches, and prepare Rotary for the future.

The COVID-19 crisis has forced all of us to adapt. This is good, and our new Action Plan specifically calls on us to improve our ability to adapt. But adaptation is not enough. We need to change, and change dramatically, if we are to face the challenges of this new age and provide the Rotary the world so desperately needs.

This is our great challenge, not just in the next year but into the foreseeable future. It is up to us to remake Rotary for these new times — to wholeheartedly embrace the ideas, energy, and commitment of young people eager to find an outlet for idealism. We must become an organization fully enmeshed in the digital age, not one that simply looks for online ways to keep doing what we have always done.

The world needs Rotary now more than ever. It is up to us to make sure that Rotary Opens Opportunities for generations to come.

Message from
Rtn M Rubayet Hossain MPHF B
District Governor
R I District 3281

Dear President Hadi Mizan Al Hossain,

It is indeed a great pleasure for me to congratulate you for taking over as President of Rotary Club of Dhaka Luminous for 2020-21. I do also thank IPP Md Mushfiqur Rahman and his board to present a pretty successful year in 2019-20.

At first, I express my deep sorrow for the extremely sad demise of Past President of your club Abdullah Siddiqui Nizam due to Covid-19. Let's all pray to the Almighty for the very lively Rotarian and a good human being and also for those who had been taken away from us by this deadly virus.

Dear President, we all must understand that because of the Covid-19 pandemic, unlike other years, we have to come across towering challenges during this Rotary Year 2020-21. But you are aware that Rotarians are "People of Action" and known for their fighting spirit for 'doing good in the world' to bring 'a lasting change'. Out of many other activities, it is Rotary that has been successful in eradicating 99.9% of POLIO from the face of the earth and in doing that, 2.5 billion children have been vaccinated.

Therefore, together with you, I have decided to challenge the challenges and I do hope, the way you have stood by my side during the long 18 month journey, especially, the last 3 months, to prepare you as leader of your club, we will overcome all the challenges. I'm happy to notice that you and all other Presidents have already started to show your gifts and helped me in creating opportunities to help those who become helpless during this pandemic crisis, in particular.

Since May '20, we've launched first time ever Telemedicine Service called "Rotary Medical Support Center", distributed over 80,000 cooked food packs (30,000 packs on 1st of July alone) among hungry people, established "Oxygen Bank" in Dhaka, Khulna and Barishal, distributed Rotary Branded Face Masks and many more to establish President Holger's dream theme Rotary Opens Opportunities, as a reality.

Finally, I wish once again that Rotary Club of Dhaka Luminous will do much better during this year under your able leadership.

Let's all be safe and Blessed.

M Rubayet Hossain MPHF B
District Governor
Rotary International District 3281

Message from
Rtn Hadi Mizan Al Hossain
President
Rotary Club of Dhaka Luminous

I am pleased to convey this message in the 1st bulletin "The Promise" in the Rotary Year 20-21.

During the pandemic Novel CORONA situation, two important meetings were held virtually. One was regular fortnightly meeting and another was the board meeting. Our members of RCD Luminous had joined district's few seminars and programs in last few weeks over online platform.

Luminous members are deeply shocked and we mourn for our beloved PP Abdullah Siddiqui Nizam, PHF. We lost one of our dedicated Rotarian. May Allah grant him Jannatul Ferdouse.

Two initiatives have been taken - developing website restructuring and club bulletin. These are being published regularly including club's facebook page. Thanks to Rtn CP Kazi Saiful Haque PHF B MD, Rtn IPP Mushfiqur Rahman and Rtn PE Shahidul Haque who is the Editor of "The Promise". Special thanks to Rtn Redwanur Rahman PHF for providing tremendous support to build the website himself and updating the website regularly.

Our commitment and involvement will shape the destiny of our club. Together, we will work for developing community in the society. Luminous is getting prepared to take initiative for a sustainable service project and other community services.

Our challenge at the Rotary Club of Dhaka Luminous is to do our part to support RI theme to strengthen the many ways. "We believe that our acts of service, big and small, create opportunities for people who need our help. Everything we do opens another opportunity for someone, somewhere."

Best wishes for a glorious Rotary Year 2020-21.

From the Desk of Editor
Mohammad Shahidul Haque
President Elect 2020-21

The Rotary Year 2020-21 has already been started. This year is so different from all the previous years that we can remember which makes Rotary more and more meaningful and appropriate an organization to the human kind.

The Corona pandemic has forced us to come out of our comfort zone, customs and practices. Economy has shrunk more than ever in the last 50 or more years. People dying, losing jobs or business, migrating to other places. A disaster it is! The situation is so bad that more than a billion children worldwide will miss their scheduled vaccination due to non availability of the service.

This is an opportunity to keep our marks. Our future actions will determine whether the CoronaVirus outbreak changed us for a better future or not. Which platform could have given us such an opportunity to work for humanity other than Rotary? At the end of the day, we will determine our days to come by planning, hard work and fellowship for each other, no? With the leadership of President Rtn Hadi Mizan Al Hossain, we will bring meaningful positive changes in our lives and others. Let the battle begin!!
